DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see page 16, filed 16 September 2004, with respect to claim 1 have been fully considered and are persuasive. The 35 U.S.C. 102(b) of claims 1 and 6-24 has been withdrawn.

Regarding Applicant's arguments that Sato does not disclose a funnel shaped portion having a plurality of funnel ribs on an external face of the conical portion, Examiner agrees.

Allowable Subject Matter

2. Claims 1-31 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The limitations found in claims 1-31 are neither disclosed nor taught by the prior art of record, alone or in combination. The prior art of record does not disclose the limitations of a funnel shaped portion having a generally conical wall with external and internal generally conical faces and a flared end, the external generally conical face comprising a plurality of funnel ribs and an external circular groove with a groove base in combination with the other limitations recited in claims 1, 2, 25, and 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2831
